IMPORTANT Notes for 2010:

1. Please **DO NOT** add vehicles to your entry without telling us. It upsets the line-up for others. We must know in advance approximately how many feet to allow for each group.
2. Please be aware of the height of your entry and remember that there are some low wires across the road on the parade route. **NO ENTRIES OVER 13 feet HIGH!!** If you knock down a wire, it will be your liability, not the Business & Professional Association's.
3. **NO ICE POPS!** They cause a big sticky mess on the roadway.
4. Children running into the road to catch candy thrown to them is a **SERIOUS SAFETY CONCERN**. If you plan to provide candy or other crowd give-aways, please bring walkers who can hand this out safely from either side of your parade entry instead of throwing it from a float, etc.
5. You will be notified **EXACTLY WHERE** your members should go to line up at the BH-BL High School **OR** the Burnt Hills Lanes, but please **WARN ALL MARCHERS** in advance that they should plan to arrive before 6:30 on June 10.
